COUNCIL VOTES MONEY

There were at roll call of the Council of State yesterday afternoon President Dole, Ministers Mott-Smith, Young, Damon and Cooper; Councilors Jansen, Jones, Allen, Robinson, Kaula, Kennedy and Kama.

Mr. Allen of interior committee again presented the report on plumbing inspectors properly signed by the committee. Laid on the table to be considered with the bill.

Mr. Allen, from the same committee appointed to report on \$10,000 for a morgue to be located near the post house said the committee recommended that the morgue be located nearer the center of the city and that \$10,000 be appropriated therefor. Laid on table to be considered with the bill.

Mr. Robertson reported from the committee on Attorney General and Judiciary departments on certain minor amendments.

New Beretania Pump.

New well and pump Beretania street, amended and passed at \$10,000.

Minister Young said there was a pump here which could be used and while not the best would do good work. It could be installed and run for the coming year and a half for \$50,000. The cost of the pump was \$18,000 and its capacity was 5,000,000 gallons every twenty-four hours.

Andrew Brown, of the water works, explained the Honolulu water system from a large map. He answered questions put to him by Councilors and showed wherein the new pump was an immediate necessity. The Beretania street pumps must be relieved. He did think the boring of new wells was the cause of shortage of water in artesian wells. The proposed pump would raise water 250 feet and there was a spare boiler to furnish steam. The new pump could be put in operation in six weeks from today and was guaranteed to do good work.

\$25,000 for Hospital.

Endowment for incurable hospital of \$25,000. Moved by Mr. Allen that \$25,000 be given as a subsidy when \$100,000 endowment had been raised. Mr. Jones raised the question of legality of such an appropriation and moved that it be referred to the Attorney General to report. Carried.

Appropriation of \$75,000 for Royal school passed.

SALE OF LAND IN MANOA VALLEY

HONOLULU, OAHU.

Opportunity is given to purchase in Manoa Valley a beautiful situated property containing all the necessary essentials for a homestead and where healthful climate and picturesque scenery are in the midst of historic surroundings and all in contact with improved grounds, planted with various foreign fruit as well as supplied with fruit trees indigenous to Hawaii. The acreage of 45.64 acres in fee simple and 31.16 acres under long and favorable leases.

Included in the improvements on the fee simple portion is a roomy, modern dwelling house furnished with sanitary and other conveniences; there is also situated thereon a roomy carriage shed and stables.

The celebrated Waialeakua (Water of the Gods) Falls is in near proximity, and the cool, clear, sparkling water therefrom flows through the grounds, supplying ample opportunity for increased irrigation to the acreage already planted and which is capable of considerable improvement.

For further information apply to J. H. Boyd, Interior Department.
